Overview

Under the Standards for Registered Training Organisations 2015, RTOs may engage third parties to deliver and assess training programs.

This policy does not relate to:

- Workplace training where a workplace trainer and / or supervisor is involved in 'on the job' training component
- Third parties undertaking recruitment and marketing practices
- Trainers who hold an employment contract as either a permanent, casual or contracted staff member

Policy

CWBTS does not engage third party providers to deliver and assess any portion of our training programs.

It is important to note that CWBTS has funding contracts that preclude third party providers from training and / or assessing any portion of our training program.

Should CWBTS decide to enter into a third party delivery and / or assessment arrangement in future, this policy will be updated accordingly. CWBTS will also require a written agreement to be completed in line with relevant standards and guidelines as applicable at that time.
