* Students who are eligible for government subsidies and are obtaining a qualification or unit/s through recognition of prior learning (RPL) will be charged the fee relevant to the subsidy they are accessing. If you are a fee for service student and your RPL application is unsuccessful, CWBTS will charge the application fee plus the per unit assessment fee for any units granted. The fee for the full qualification will be the gap between any RPL fees and the fee for service price.

** This resource / material fee is an optional cost for students wishing to obtain hard copies of resources for these courses. All required resources for these qualifications are located on CWBTS' online learning management system.
