cwbts@cwbt.com.au

CPC30220 Certificate III in Carpentry covers practical skills and knowledge needed to undertake projects in new residential housing construction, maintenance and repair and renovations.

How long will it take?

The standard course duration is 42 months full time completed on-the-job within an apprenticeship. However, duration may vary depending on individual circumstances.

Is the course subsidised?

This training is subsidised by the NSW government. Contact us to find out if you qualify. If not you can still enrol as a full fee student. For current fee information please visit our website.

Future pathways

After completing CPC30220 Certificate III in Carpentry you may decide to further your training with a CPC40120 Certificate IV in Building and Construction (Building) or CPC50220 Diploma of Building and Construction (Building)
